

Everybody knows that the majority of millionaires are made through real estate.

The dilemma is figuring out a way to make money online with it as a complete beginner.

I was clueless about what to do with my last couple thousand dollars.

The plan that I came up with turned them into a six-figure business.

I went the longest time trying to make standard real estate work.

I wish that I had pivoted to alternative real estate sooner.

Ownership works for people that are compounding their existing success.

I'm talking about putting down a deposit, taking on a mortgage, and dealing with tenants.

This means that you're faced with a major barrier to entry, you're taking on lots of responsibility, and you're tying yourself down.

Wholesaling is accessible to everybody trying to get their start in the game.

I'm talking about leveraging contracts as your buy-in, handling everything as an intermediary, and acting as the middleman between buyers and sellers.

This means that you can get started right away, you're not making any commitments, and you aren't bothered with all of the hassle.

I'm hosting a free live masterclass where I'll be teaching everything that goes into this.
