

A1. Nudge:

SL: You don't want to sleep on this

PV: N/A

Hey {first_name},

Thanks for showing up to the free live masterclass earlier.

If you've already submitted your application form, then feel free to ignore this.

If you haven't yet, then this is your nudge to do it.

The excitement will be gone by the weekend, because the value that you've just received has a shelf life to it.

You can get started with that right here: [LINK]

My team can't wait to check it out.

A2. Case Study:

SL: Zero to hero

PV: N/A

Hey {first_name},

Let me tell you about one of my students named Daniel.

He was grinding away for months on his own with nothing to show for it.

We cleaned up his entire strategy for finding motivated sellers and assigning them to ready buyers.

He closed his very first deal for twenty four thousand dollars over the span of thirty days.

The only thing standing between him and yourself is making a change.

A3. Recap:

SL: Contract To Close in a nutshell

PV: N/A

Hey {first_name},

You showed up to the free live masterclass.

This means that you got access to an offer that I'm not making in the same way anywhere else.

I'm talking about *Contract To Close* of course:

- One on-one coaching calls for weekly sessions between us.
- One-on-one access for a direct communication channel to me.
- Group coaching calls for multiple events per week with myself and guests.
- Course content in the form of recorded lessons for everything.
- A community that's a tight-knit network of others.

There's a ton of bonuses that I'm not mentioning right now like *The Seller Fast-track*.

The only setback will be remaining stuck where you are forever.

N1. Nudge:

SL: Here's the replay

Hey {first_name},

It looks like you couldn't make it to the [free live masterclass](#).

I'll get you right with the replay though: [LINK]

This won't be up forever, so give it a watch while you still can.

Let us know what you think.

N2. Recap:

SL: I'm giving you one last chance

PV: N/A

Hey {first_name},

Let me summarize the free live masterclass real quick...

Landing your first deal for real estate wholesaling in the next 90 days can be boiled down to two things.

This is without putting down a deposit, taking on a mortgage, or dealing with tenants.

Ownership works for people that are compounding their existing success.

It requires dealing with tenants, taking on a mortgage, and putting down a deposit.

This means that you're tying yourself down, you're taking on lots of responsibility, and you're faced with a major barrier to entry.

Wholesaling is accessible to everybody getting their start in the game.

It comes down to leveraging contracts as your buy-in, handling everything as an intermediary, and acting as the middleman between buyers and sellers.

The result is that you can get started right away, you're not making any commitments, and you aren't bothered with all of the hassle.

I'll only be keeping the replay up for a little longer.
