

1. Confirmation:

SL: The discovery call has been scheduled

PV: N/A

Hey {first_name},

You've officially scheduled the discovery call.

Please do two quick things before you close this...

The first is saving and bookmarking your access now: [LINK].

The second is blocking off about forty-five minutes in your calendar: [LINK].

My team is looking forward to it.

2. Unique Mechanism:

SL: The shift that changed everything

PV: N/A

Hey {first_name},

I want to walk you through something before you speak with them on the discovery call.

Ownership works for people that are compounding their existing success.

It requires dealing with tenants, taking on a mortgage, and putting down a deposit.

This means that you're tying yourself down, you're taking on lots of responsibility, and you're faced with a major barrier to entry.

Wholesaling is accessible to everybody getting their start in the game.

It comes down to leveraging contracts as your buy-in, handling everything as an intermediary, and acting as the middleman between buyers and sellers.

The result is that you can get started right away, you're not making any commitments, and you aren't bothered with all of the hassle.

They'll map it all onto your situation and come up with a game plan throughout it.

My team is looking forward to it.

- Janier

3. Recap:

SL: Contract To Close in a nutshell

PV: N/A

Hey {first_name},

I don't want you entering the discovery call without any idea of what's on the table.

Contract To Close is where we work with you to land your first deal for real estate wholesaling in the next 90 days.

This is without putting down a deposit, taking on a mortgage, or dealing with tenants.

Here are the main deliverables inside of it:

- One-on-one coaching calls for weekly sessions between us.
- One-on-one access for a direct communication channel to me.
- Group coaching calls for multiple events per week with myself and guests.
- Course content in the form of recorded lessons for everything.
- A community that's a tight-knit network of others.

There's a ton of other bonuses that I'm not mentioning right now like *The Seller Fast-track*.

The only setback is remaining stuck where you are forever.

My team is looking forward to it.

- Janier

4. Case Study:

SL: Zero to hero

PV: N/A

Hey {first_name},

Let me tell you about one of my students named Daniel.

He was grinding away for months on his own with nothing to show for it.

We cleaned up his entire strategy for finding motivated sellers and assigning them to ready buyers.

He closed his very first deal for twenty four thousand dollars over the span of thirty days.

The only thing standing between him and yourself is making a change.

You're closer than you think and they'll get into that more with you on the discovery call.

My team is looking forward to it.

- Janier

5. Objection Handling:

SL: Let me stop you in your tracks

PV: N/A

Hey {first_name},

I'm going to answer some of my frequently asked questions right now, in order to remove all of the fluff from the discovery call.

Here are the ones that I've been getting the most lately...

You might think that you'll be pushed into some sort of deal.

The whole point of this is to determine whether or not it's a great fit.

You might think that they'll make you feel bad if you decide against it.

The reality is that we'd rather you walk away than commit while being on the fence.

You might think that you need to have everything lined up beforehand.

The idea is that we fill in the blanks together.

You might think that you're walking into things completely blind.

The truth is that they're going to come up with a game plan based on your situation.

I can guarantee that you'll find it insightful and helpful anyway.

My team is looking forward to it.

- Janier

6. Conviction Building:

SL: It's different this time

PV: N/A

Hey {first_name},

I'm sure you understand my way of landing your first deal for real estate wholesaling in the next 90 days.

This is without putting down a deposit, taking on a mortgage, or dealing with tenants.

You might be wondering whether or not it actually makes sense to pursue though.

It's important to understand that there are more motivated sellers and ready buyers than ever, but only a handful of people connecting the dots.

The goal is wide open as we speak, but it's closing more and more by the day.

The thing is that taking this approach alongside somebody who's already done it successfully allows you to skip straight past the guesswork.

The discovery call will give you a chance to learn more about that.

My team is looking forward to it.

- Janier

7. Reminder / Risk Reversal:

SL: It's going down

PV: N/A

Hey {first_name},

The discovery call is happening later today.

Let me take some of the weight off your shoulders beforehand.

We have a guarantee to keep working with you free of charge.

This is if you don't land your first deal for real estate wholesaling in the next 90 days.

The only way to lose is by never taking a real strike at winning.
