

1. Confirmation:

Text:

You guys are officially registered for the free live masterclass.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

2. Lead Magnet:

Text:

Your free gift is ready by the way guys.

The Seller Fast-track is pinned in the description right now.

3. Unique Mechanism:

Video:

I want everybody that's registered for the free live masterclass to understand my way of landing your first deal for real estate wholesaling in the next 90 days.

This is without putting down a deposit, taking on a mortgage, or dealing with tenants.

Ownership works for people that are compounding their existing success.

Wholesaling is accessible to everybody getting their start in the game.

I'll be teaching everything that goes into this inside of the free live masterclass.

4. Narrative:

Video:

Let me give you guys some context real quick.

I was a broke kid from Boston that had a dream of becoming a baseball player.

My natural conclusion was real estate after it didn't pan out.

I spent ages waiting for something to click until I stumbled upon wholesaling.

I'm still landing deals to this day and putting my students onto the method.

5. Future Pacing:

Video:

I want you guys to picture this for a second.

You wake up whenever you like, wherever you like, day in and day out.

You spend some time taking care of business and lining up deals.

You take the rest of the day off while earning on autopilot.

This is the life that wholesaling has handed over to me.

6. Sneak Peek:

Voice Note:

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to find motivated sellers on repeat.

The second is how to plug into a network of ready buyers.

The third is how to scale through systems, delegation, and extras.

There's going to be a Q&A for the ones that stick around until the end.

7. Objection Handling:

Video:

I hope you guys are fine with me reading your minds real quick.

Are you really teaching everything inside of it? I've refined this to what's actually going to move the needle.

Isn't it all on your YouTube channel anyway? The whole point of this is to hand you the full picture rather than scattered pieces of it.

Will it turn into one grand pitch? I'm teaching this all whether you work with me or not.

What if I simply catch the recording? Being there in person helps extract as much value as possible.

I'll get into everything else throughout the free live masterclass.

8. Addressing:

Video:

I'm just going to be straightforward with you, because I get asked this all the time.

It's a common misconception that I have to choose between doing it myself or helping others.

I'm a player and a coach, so I'm doing it myself and helping others.

This also gives me the chance to learn from everybody who gets results.

9. Reminder / Recap:

Text:

Today is the day people.

I'll be going live at 7:00 PM EST.

There will be three pillars and a Q&A.

It's so clear and concise that you should be set after only an hour and a half.

I'm going to pin the link in the description and send it through a little later.

10. Reminder / Conviction:

Voice Note:

The free live masterclass is going to be rolling within the next hour.

Someone in your position is about to get the sauce without the downsides.

The only difference between yourself and this person is that they showed up to the free live masterclass.

You don't want to be one of those people who register but don't attend.

The link is pinned in the description but you can also get it here: [LINK]

11. Reminder:

Text:

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.
